

CORE READS

Below is a selection of reading books that we have chosen to help support & develop our children's communication and language skills over the course of the academic year.

The titles, some of them classics, have been picked as they are repetitive and often feature rhyme.

Repetition of rhymes and stories is good for the brain, teaching children how language works and helps build memory capabilities.

Autumn Term

Fox's Favourite Autumn by Fiona Barker

Autumn is Fox's favourite time of year. As it slips away can he make it stay, A funny tale about the changing seasons whilst having consideration for others.

The Gruffalo by Julia Donaldson
